Our History

We wish to fulfill all the dreams of the teachers & students

2018

Foundation of E-teach now was laid when we saw institutionalized Ed-tech companies trying to kill the teaching profession in India. We found teachers struggling between routine and technicality when it comes to online teaching.

2019

E-teach now developed various Software & Hardware solutions to keep teachers teach online. Spreading awareness of the changing environment was amongst the topnotch intents.

2020

We have enabled 300 teachers to teach online and are giving them prompt service on a daily basis.
